Is proud to present
**“Rosie, a Detroit
Herstory”**

***A presentation by Bailey
Sisoy Isgro***

***Sunday December 3, 2017
at 2:00pm
Admission by donation***

History doesn't have to be boring and children's books don't need to be simplified to be entertaining to tiny humans. To that end, two (raucous, loud, slightly goofy, talented, nerdy) friends from Detroit are proud to introduce Rosie, a Detroit Herstory Book. A children's (sort of) book about Detroit, World War II, and the women who helped save the world. This 37-page, full-color, 8x10 hardcover book features original rhyming text and beautiful artwork about the women of Detroit who would come to be known as Rosie the Riveters. The story begins with Germany's army marching into Poland, the Lend-Lease Act, and the eventual need for women to join the American workforce as men shipped out to war. By the end of the story you, your drunk brother-in-law, or your toddler will have a better understanding of who and what Rosie the Riveter really was, how Detroit changed over to a wartime industrial powerhouse, and why the legacy of Women War Workers is still so important. Included at the rear of the book is a timeline and glossary of terms for future study.
